**NOTICE TO APPLICANTS REGARDING
REPLACEMENT OF LIFE INSURANCE
OR AN ANNUITY**

THIS NOTICE IS FOR YOUR BENEFIT AND IS REQUIRED BY LAW.

1. If you are urged to purchase life insurance or an annuity and to surrender, lapse, or in any other way change the status of an existing contract or policy, the agent is required to give you this notice.
2. It may not be advantageous to drop or change an existing contract or policy in favor of a new one, whether issued by the same or a different insurance company. Some of the disadvantages are:
 - a. The amount of the annual premium under an existing policy may be lower than that under a new policy having the same or similar benefits.
 - b. Generally, the initial costs of life insurance policies are charged against the cash value increases in the earlier policy years; the replacement of an old policy could result in the policy holder sustaining the burden of these costs twice.
 - c. The incontestable and suicide clauses begin anew in a new policy. This could result in a claim under a new policy being denied by the company which would have been paid under the old policy.
 - d. Existing policies may have more favorable provisions than new policies in such areas as settlement options and disability benefits.
 - e. An existing policy may have a reserve value in addition to any cash value which may be of some benefit to the insured.
 - f. The insurance company carrying your current insurance policy can often make a desired change on terms which would be more favorable than if an existing insurance is replaced with a new insurance.
3. It may not be advantageous to change an existing policy to reduced paid-up or extended term insurance or to borrow against its loan value beyond your expected ability or intention to repay in order to obtain funds for premiums on a new policy.
4. There may be a situation in which a replacement contract/policy is advantageous. You may want to receive the comments of the present insurance company before deciding this important financial matter.

I hereby acknowledge that I received the above "NOTICE TO APPLICANTS REGARDING REPLACEMENT OF LIFE INSURANCE OR AN ANNUITY" before I signed the application for the proposed new insurance.

With my signature, I acknowledge that I have read and understood all of the disclosures above. My signature also acknowledges that at the time I completed my application for the proposed annuity contract, I was given a hard copy of this form to maintain for my personal records.

Premiums: Premiums are the payments you make on the life insurance policy or annuity contract. They are unlike deposits in a savings or investment program because if you drop the contract/policy you might get back less than you paid in.

Cash Surrender Value: This is the amount of money you can get if you surrender your life insurance policy or annuity. If there is a policy loan, the cash surrender value is the difference between the cash value printed in the policy and the loan value. Not all contracts/policies have cash surrender values.

Lapse: A life insurance policy may lapse when you do not pay the premiums within the grace period. If your policy had a cash surrender value, the insurer might change your policy to as much extended term insurance or paid-up insurance as the cash surrender value will buy. Sometimes the policy lets the insurer borrow from the cash surrender value to pay the premiums.

Surrender: You surrender a life insurance policy when you either let it lapse or tell the company you want to drop it. If a policy has a cash surrender value, you can receive such value in cash if you return the policy to the company with a written request.

Place on Extended Term: This means you use your cash surrender value to change your insurance to term insurance with the same insurer. In this case, the net death benefit will be the same as before but you will only be covered for a specified period of time.

Borrow Contract/Policy Loan Values: If your contract/policy has a cash surrender value, you can usually borrow all or part of said amount from the insurer. Interest will be charged according to the terms of the contract/policy, and if the loan and unpaid interest ever exceeds the cash surrender value, the contract/policy will be terminated. If you die, the amount of the loan and any unpaid interest due will be subtracted from the death benefits.

Evidence of Insurability: This means proof that you are an acceptable risk. You have to meet the standards of the insurer regarding age, health, occupation and such other standards as the insurer feels necessary to be eligible for coverage.

Incontestable Clause: This says that after one (1) or two (2) years, according to the provisions of the policy, the insurer shall not resist a claim because you made a false or incomplete statement when you applied for the policy. During the first two (2) years, if there are false or incomplete answers on the application and the insurer discovers them, the insurer can deny a claim as if the policy has never existed.

Suicide Clause: This says that if you commit suicide after being insured for less than two (2) years, your beneficiaries will receive only a refund of the premiums that were paid.
