Please list below the benefits card transactions for which we need supporting documentation. With this form, include copies of all supporting documentation (explanation of benefits (EOB), itemized statement, etc.). The transaction ID for each transaction can be found after logging in at **HealthSecureHRA.com** and clicking **Benefits Card**. Check the **Recurring Purchase** box if the purchase from that merchant is one you make on an ongoing basis. You may be able to avoid having to submit supporting documentation every time you make an identical purchase from that merchant.
