

Take **action** on your retirement plan

Plan Highlights

Your Fairfax County Public Schools 403(b) Retirement Savings Plan affords you an opportunity to help accumulate money for the retirement you envision. You contribute pretax dollars automatically by convenient payroll reduction, which might lower current income taxes. Your account benefits from the opportunity for tax-advantaged growth.

This is not your plan document. The administration of each plan is governed by the actual plan document. If discrepancies arise between this brochure and the plan document, the plan document will govern.

You are immediately eligible to begin contributing to the plan.

No matter where you enroll, it's easy to determine your contribution amount, investment approach and securely set up your online account.

Your contributions (subject to plan terms)

Stop/change contributions

You may change your contribution amount or discontinue contributing to your plan at any time and resume contributing again later, subject to plan provisions and any administrative requirements. In the meantime, your account will continue to grow on a tax-deferred basis.

Vesting

You are always 100% vested in your own contributions.

Account consolidation

You might be able to transfer your vested retirement account balance from a previous employer's plan to your Fairfax County Public Schools retirement plan. This can be an excellent way to simplify your financial profile and to ensure overall investments are suitably diversified and consistent with your investment preferences. However, before moving funds, check with your other provider to determine if your account has any restrictions, imposes a withdrawal penalty, provides favorable terms, or includes additional features.

Plan Highlights

Withdrawal restrictions

Your plan was established to encourage long-term savings, so withdrawals prior to age 59½ may be subject to federal restrictions and a 10% federal early withdrawal tax penalty.

Distribution options

Depending on plan provisions, your withdrawal options include:

- Transferring your vested account balance to another tax-advantaged plan that accepts transfers of rollovers
- Electing systematic or partial withdrawals
- Taking a lump-sum distribution
- Choosing one of the many annuity options available
- Deferring distributions until the later of age 75 (if born after December 31, 1959), age 73 (if born after December 31, 1950 and before January 1, 1960), age 72 (if born after June 30, 1949 and before January 1, 1951), age 70½ (if born before July 1, 1949) or severance of employment, and allowing your account to continue to grow on a tax-deferred basis

Important considerations before deciding to move funds either into or out of a Corebridge retirement services account
There are many things to consider. For starters, you will want to carefully review and compare your existing account and the new account, including: fees and charges; guarantees and benefits; and, any limitations under either of the accounts. Also, you will want to know whether a surrender of your current account could result in charges. Your financial professional can help you review these and other important considerations.

Investors should carefully consider the investment objectives, risks, fees, charges and expenses before investing. Read the fund prospectuses carefully before investing. The fund prospectuses contain important information, which can be obtained from your financial professional at CorebridgeFinancial.com/retirementservices or by calling 1.800.428.2542 and following the prompts.
