FRAUD WARNING

Any person who knowingly and with intent to injure, defraud, or deceive any insurer files a statement of claim or an application containing any false, incomplete, or misleading information is guilty of a felony of the third degree.

EXPECTED ANNUITY DATE

Owner may at a later date change the annuity start date subject to the terms and conditions of the Portfolio Director contract.

USA PATRIOT ACT (This notice is printed in compliance with Section 326 of the USA Patriot Act)

IMPORTANT INFORMATION ABOUT PROCEDURES FOR APPLYING FOR AN INSURANCE POLICY OR ANNUITY CONTRACT.

To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions, including insurance companies, to obtain, verify, and record information that identifies each person who opens an account, including an application for an insurance policy or annuity contract.

What this means for you: When you apply for an insurance policy or annuity contract, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may ask to see your driver's license or other identifying documents.

REDEMPTIONS FROM OPTIONAL RETIREMENT PROGRAMS AND OTHER PLANS

Distributions from employer-sponsored retirement programs, including Optional Retirement Programs, will be subject to any limitations imposed by the plan.

WITHDRAWAL RESTRICTIONS FOR 403(b) PARTICIPANTS

Under federal tax laws regulating certain 403(b) plans, election contributions, interest and earnings credited to your account after 12/31/88 and elective contributions may be withdrawn only after the following:

- Severance from employment
- Death
- Hardship (contributions only)
- Attainment of age 59½ or older
- Disability

Your Employer's plan may contain other withdrawal restrictions. Some employer plans have alternative investment options among which plan participants may transfer contract values.

BENEFICIARY DESIGNATIONS

If your account was established under your Employer's plan and such Plan requires that you obtain consent from your spouse or partner to name a beneficiary other than your spouse or partner, complete and return a Beneficiary Designation Form (VL 14945), including the Spousal Consent section, or your beneficiary designation may not be valid with respect to some or all of your death benefits.

Contact your Employer for spousal or partner consent requirements applicable to your plan. For Employee Retirement Income Security Act (ERISA) Covered Plans, your spouse must be your primary beneficiary unless Spousal consent to waive Pre-retirement Death Benefits is given.

Your primary beneficiary(ies) will be paid any survivor benefit existing under the contract at your death. If there are no surviving primary beneficiaries, your contingent beneficiary(ies) will receive these benefits.

A beneficiary can be an individual, institution, entity or trust.

If you wish to designate as beneficiaries your current children and any children who may be born to you or legally adopted in the future, add the words "all my living children" in the name box following the last child listed.

When there are multiple beneficiaries and one predeceases you, the proceeds will be divided among the remaining beneficiaries. A designation of "Per Stirpes" after the beneficiary name allows the children of the deceased beneficiary to receive the deceased beneficiary's portion.

If the beneficiary is a minor, or additional space is needed, please complete and submit a Beneficiary Designation Form (VL 14945).

For assistance with beneficiary designations, contact your financial professional or a Customer Service Professional at 1-800-448-2542.

SALARY REDUCTION AGREEMENT OR SALARY DEDUCTION AUTHORIZATION FOR 403(b) AND 401(k) PLANS

This section only applies if you have not executed a separate salary reduction/deduction agreement with respect to the salary reduction/deduction contributions specified in the Contribution Information section on this form. This form shall serve as your instruction for such contributions and agreement to your Employer's rules regarding the contributions. Upon acceptance by the Employer of these instructions, this document shall then constitute your salary reduction/deduction agreement for purchase of a non-transferable annuity contract qualified under Section 403(b) of the Internal Revenue Code (IRC) or a non-transferable annuity contract to provide retirement benefits under IRC Section 401(k) from The Variable Annuity Life Insurance Company. When effective, this agreement shall apply only to those amounts not currently available as of the date indicated on this form. This agreement shall be legally binding as to both parties while employment continues; provided, however, that either party may change or terminate this agreement with respect to amounts that have not become currently available and payable by the Employer and in accordance with the Employer's reasonable administrative procedures. Salary reductions/deductions are to be effective with respect to pay dates on or after the date listed under Date Payment Begins (which is subsequent to this agreement). Only amounts not currently available to the employee are eligible for salary reduction/deduction.

INTERNAL REVENUE SERVICE (IRS) AND DEPARTMENT OF LABOR (DOL) GUIDANCE ON MARRIAGE

For federal tax law and ERISA purposes, under current IRS and DOL guidance (1) a same-sex marriage that was valid in the state or country it was entered into will be recognized by the IRS or DOL, regardless of the married couple's place of domicile; and (2) although a state may recognize domestic partnerships or civil unions, the terms "spouse," "husband and wife," "husband," and "wife" do not include individuals who have entered into a registered domestic partnership, civil union, or other similar formal relationship recognized under state law that is not denominated as a marriage under the laws of that state.
