Then follow these simple steps to enroll in your retirement plan.

1. Plan and personal information

To begin, please input the requested personal information.

2. Contributions

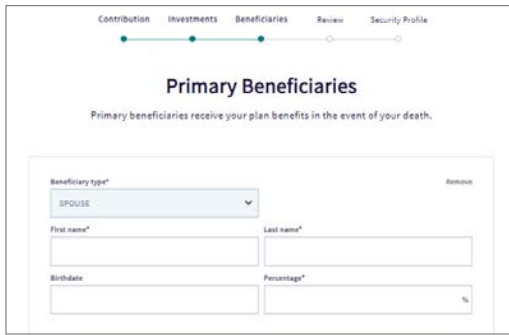

Next, select your pretax contributions by either percentage or dollar amount. Remember, you can change your contribution anytime after enrollment.

3. Investments

Now, select your investments. To make it easy, there are two options: “Do it for me”—you decide to invest in advice programs, investment models or target date funds – or “Do it myself”—you decide all the details regarding your investments .

How to enroll in your plan

The screenshot shows a progress bar at the top with five steps: Contribution, Investments, Beneficiaries, Review, and Security Profile. The 'Beneficiaries' step is currently active. Below the progress bar, the heading 'Primary Beneficiaries' is displayed, followed by the text 'Primary beneficiaries receive your plan benefits in the event of your death.' The form includes a dropdown menu for 'Beneficiary type*' with 'SPOUSE' selected, a 'Remove' link, and input fields for 'First name*', 'Last name*', 'Birthdate', and 'Percentage*'.

4. Beneficiaries

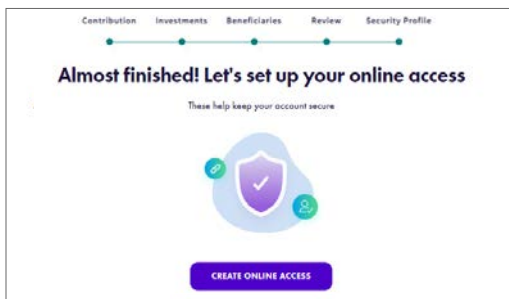

Protecting your future is part of your enrollment process. Make your wishes known by inputting your primary beneficiaries.

The screenshot shows a 'Review' page with a summary of the user's selections. The page is titled 'Review' and contains a detailed overview of the enrollment information, including beneficiary details and other plan settings.

5. Review

A snapshot of your selections will appear on one page for easy viewing. Take a look and ensure everything is accurate, then hit continue.

The screenshot shows a screen titled 'Almost finished! Let's set up your online access'. It features a shield icon with a checkmark and the text 'These help keep your account secure'. A prominent purple button labeled 'CREATE ONLINE ACCESS' is at the bottom.

6. Set up your online access

If you haven't already, set up your online account where you can make transactions, sign up for e-delivery, set up your trusted contacts, utilize savings tools and more. Plus, by enabling our multifactor authentication features in your online profile, you'll have extra account protection.
