

Review or update your beneficiary in the Florida Deferred Compensation Plan

You may have designated your beneficiary in the Florida Deferred Compensation Plan when you first enrolled or a long time ago. Now may be a good time to review and make any updates as necessary to your elections.

Consider taking these steps to help plan for the future

Designate a beneficiary: The beneficiary can be any individual, trust or estate — and you can name one person, several people or a combination of people and entities.

Keep your beneficiary designation current: Update it when there's a major change in your life — such as a marriage, new child, divorce or death.

Protect your family and make your preferences today. It takes just a few minutes — so don't delay!
