## 4. INCOME TAX WITHHOLDING INFORMATION AND INSTRUCTIONS

If you do not have enough tax withheld, you are still liable for any taxes owed and may be subject to tax penalties for under-withholding.

### Federal Income Tax (FIT) Withholding

**FIT Withholding will be applied based on the defaults described below unless the referenced IRS Form is submitted. Current IRS Forms are available on the IRS website at [www.irs.gov](http://www.irs.gov).**

- Unforeseeable emergency withdrawals are generally subject to a 10% FIT default rate on the taxable portion. To request a different rate or to request no federal tax withholding attach a completed IRS Form W-4R. If a W-4R is not provided with this request, 10% FIT will be withheld.
- Distributions from unfunded deferred compensation plans (including 457(b) plans of private tax exempt employers), where consistent with your employer's plan, are subject to wage bracket withholding. Attach a completed IRS Form W-4. If a W-4 is not provided with this request, wage bracket withholding based on Single and 0 Exemptions will be applied. Wage bracket withholding does not apply to beneficiary accounts.
- 30% FIT (may be less depending on country of domicile and any applicable ratified income tax treaty) will be withheld on payments to an address outside the United States. If you qualify for reduced withholding, submit an IRS Form W-8BEN.

### State Income Tax (SIT) Withholding (if applicable)

States with SIT either require mandatory withholding or allow voluntary withholding. Withholding is based on your resident state on file. Each state determines their specific state requirements, which may include a default rate, or require your election be provided on their state specific withholding form. If you do not provide instructions OR your instructions are different than your resident's state requirements, SIT will be withheld using the state's requirements.

### State Withholding Instructions

**DO NOT** withhold any state taxes unless mandated by law.

**DO** withhold state taxes in the amount of \_\_\_\_\_ %  
(cannot be less than any mandatory withholding)

## 5. DELIVERY INSTRUCTIONS

If you have already provided information to receive an electronic funds transfer (EFT) your payment will be sent electronically. If you have not previously set this up, your payment will be made by a check sent via USPS to the address of record on file.

## 8. INFORMATION

For more information regarding the completion of this form, you may call our Client Care Center at 1-800-448-2542 or your financial professional.

You must first attempt to relieve the hardship through one of the following:

- Reimbursement or compensation by insurance or otherwise;
- Liquidation of your assets as long as liquidation of such assets would not itself cause severe financial hardship;
- Cessation of plan deferrals; or
- Other reasonable available severe financial hardship resources.

Your plan may require suspension of future withdrawals as a condition of receiving an unforeseeable emergency withdrawal. The amount of the distribution must only be that which is needed to satisfy the emergency need. However, this amount may be increased to include taxes you reasonably expect to be payable in an amount not to exceed 40% of the hardship.

### LIVING BENEFIT OPTION

If you have chosen a living benefit option, withdrawals from the contract will reduce the account value and may reduce or cancel benefits of the living-benefit option. Withdrawals exceeding the Maximum Annual Withdrawal Amount may reduce future Maximum Annual Withdrawal Amounts and reduce or eliminate any eligible income credit. Minimum distribution amounts calculated for each year will include the value of the living benefit. One year's required minimum distribution based solely on the value of each individual account will not be treated as an excess withdrawal, but may reduce the Maximum Withdrawal Period and reduce or eliminate any eligible income credit. See your contract endorsement.
