## Information (continued)

#### EMPLOYEE RETIREMENT INCOME SECURITY ACT (ERISA) COVERED PLANS

Your spouse must be your primary beneficiary unless Spousal consent to waive Pre-retirement Death Benefits is given. Complete the Beneficiary Designation Form (VL 14945), Spousal Consent Section, if naming someone other than your spouse as your primary beneficiary.

#### BENEFICIARY DESIGNATIONS

If your account was established under your Employer's plan and such Plan requires that you obtain consent from your spouse or partner to name a beneficiary other than your spouse or partner, complete and return a Beneficiary Designation Form (VL 14945), including the Spousal Consent section, or your beneficiary designation may not be valid with respect to some or all of your death benefits.

Your *primary* beneficiary(ies) will be paid any survivor benefit existing under the contract at your death. If there are no surviving primary beneficiaries, your *contingent* beneficiary(ies) will receive these benefits. A beneficiary can be an individual, institution, entity or trust. If you wish to designate as beneficiaries your current children and any children who may be born to you or legally adopted in the future, add the words "all my living children" in the name box following the last child listed. When there are multiple beneficiaries and one predeceases you, the proceeds will be divided among the remaining beneficiaries. A designation of "Per Stirpes" after the beneficiary name allows the children of the deceased beneficiary to receive the deceased beneficiary's portion. If the beneficiary is a minor, or additional space is needed, please complete and submit a Beneficiary Designation Form (VL 14945). For assistance with beneficiary designations, contact your financial professional or a Client Service Professional at 1-800-448-2542.

#### SALARY REDUCTION AGREEMENT OR SALARY DEDUCTION AUTHORIZATION FOR 403(b) AND 401(k) PLANS

This section only applies if you have not executed a separate salary reduction/deduction agreement with respect to the salary reduction/deduction contributions specified in the Contribution Information section on this form. This form shall serve as your instruction for such contributions and agreement to your Employer's rules regarding the contributions. Upon acceptance by the Employer of these instructions, this document shall then constitute your salary reduction/deduction agreement for purchase of a non-transferable annuity contract qualified under Section 403(b) of the Internal Revenue Code (IRĆ) or a non-transferable annuity contract to provide retirement benefits under IRC Section 401(k) from The Variable Annuity Life Insurance Company. When effective, this agreement shall apply only to those amounts not currently available as of the date indicated on this form. This agreement shall be legally binding as to both parties while employment continues; provided, however, that either party may change or terminate this agreement with respect to amounts that have not become currently available and payable by the Employer and in accordance with the Employer's reasonable administrative procedures. Salary reductions/deductions are to be effective with respect to pay dates on or after the date listed under Date Payment Begins (which is subsequent to this agreement). Only amounts not currently available to the employee are eligible for salary reduction/deduction.

SSN or Tax ID:

This is a summary of the provisions of your annuity, but it is not a part of your contract. Your annuity contract contains complete details. Every effort has been made to make this summary as thorough and accurate as possible. However, it is understood that in the event of any conflict, the terms of the contract will govern.

The VALIC Fixed Annuity is designed for the long-term contract holder who wishes to benefit from the advantage of tax-deferral. This annuity is not appropriate for those who may have short-term goals or need liquidity. Depending on your contract, significant penalties may apply to early withdrawals. Consult your tax advisor regarding your specific situation.

TWENTY-DAY CANCELLATION PERIOD (TWENTY-ONE DAY CANCELLATION PERIOD IN FLORIDA): If, after reading the contract, you are not satisfied for any reason, you may return the contract to us or any agent authorized by us within twenty days after receiving it (twenty one days in Florida). Depending on your state of issue, we will return either Purchase Payments paid or the contract value.

EFFECTIVE ANNUAL INTEREST RATE: NOTE: The interest rate earned on your initial Purchase Payment may be higher or lower than the rate indicated below if the initial Purchase Payment is received after the month/year listed on this form.

The effective annual interest rate for the VALIC Fixed Annuity is \_\_\_\_ \_% for Purchase Payments received in \_ (month)/ (year) and is guaranteed for those deposits for the remainder of the calendar year and intended, but not guaranteed, to be credited for the next calendar year. Thereafter, a pooled rate will be credited to the deposit and related interest. To achieve this rate, the initial Purchase Payment must be left on deposit for a full year without any withdrawals. Interest is credited and compounded daily to achieve the annual rate. Effective annual interest rates are declared monthly. Pooled rates are guaranteed for one calendar year.

MINIMUM GUARANTEED INTEREST RATES: The minimum guaranteed interest rate for all Purchase Payments in the VALIC Fixed Annuity is no less than 2%. See your final contract/endorsement for the exact rate. This minimum guaranteed interest rate is guaranteed for the life of your contract, and is not subject to change. Amounts in your contract that are applied to any fixed interest Annuity Income Payment Option are also guaranteed to earn a fixed rate of interest, and this minimum rate of interest is described in your contract. All Accumulation Values, Surrender Values, paid-up annuity benefits and death benefits available in your contract are subject to the minimum values defined therein, and are at least equal to those values required by the state in which the contract is delivered.

PERMITTED FREE WITHDRAWALS: You may withdraw up to 20% of the value of the fixed annuity each contract year. This withdrawal is not subject to any early withdrawal charge. In addition, other exceptions to the early withdrawal charge may apply depending on your contract.

WITHDRAWAL PRIVILEGES: Purchase Payments allocated to the fixed annuity are subject to early withdrawal restrictions. No withdrawal restrictions will be placed on any withdrawal under the following conditions: annuitization, separation from service from the plan sponsor offering the program, death, disability, attainment of age 591/2 and 5 years in the contract, and withdrawals for purposes of a loan. In-service annual withdrawals of 20% are allowed from the fixed annuity, including transfers to mutual funds. In-service withdrawals in excess of 20% will be assessed a 5% withdrawal charge.

FEDERAL TAX PENALTY AND OTHER TAX INFORMATION: Withdrawals are generally subject to federal income tax. In addition, withdrawals prior to age 59½ are generally subject to a 10% federal early withdrawal penalty. Tax-qualified contracts such as IRAs, 401(k)s, etc. are tax-deferred regardless of whether or not they are funded with an annuity. If you are considering funding a tax-qualified retirement plan with an annuity, you should know that an annuity does not provide any additional tax-deferred treatment of earnings beyond the tax-qualified plan or program itself. However, annuities do provide other features and benefits such as death benefits and income payment options.

DEATH BENEFIT PROVISIONS: The Death Benefit Provision is equal to the account value on the date all paperwork is received in good order by VALIC.
